StudentBeans

We're Student Beans, the #1 student loyalty network. We've been around since 2005, and since the beginning, our mission has been to empower students to thrive. Here to take the sting out of everyday life, we help you save money on what you need, what you want and what you love, so you can focus on you and spend big on your future. Unlocking a world of [student discounts](#) from thousands of stores online and in-store, Student Beans gives you access to more savings than any other student iD card. We're totally committed to bringing you the most exclusive deals you won't get anywhere else, straight from your favourite brands. Our student discounts are the real deal, meaning they'll always work to save you money, whether you're after a new outfit, top tech or food delivered straight to your door.

Students save on UNiDAYS

Free discounts for sixth form, college and university students. From tonight's outfit to food comas to (finally) getting fitter.

Message from Mrs Moore:

As we make our way steadily to Christmas, it doesn't seem possible that we are all ready almost a third of the way through the year, however, there is still so many things on offer for you and the holidays are a great time to take advantage of these experiences and opportunities. Please remember to log everything you take part in with your Tutor in your one-to-ones or if its work shadowing or an open day, with Mrs Neville.

Important Notices

- Please ensure you are wearing your lanyards at ALL TIMES on site. Return borrowed lanyards ASAP.
- Mobile phones and headphones are only permitted in Sixth Form areas. Staff will have to enforce the school behaviour policy if they are seen elsewhere.
- Please sign out WHENEVER you leave the site. Sign back in if you return.
- Ensure you ALWAYS close the North Gate behind you.
- Please be reminded that the Sixth Form dress code does NOT include joggers, hoodies or crop tops. Students that are not appropriately dressed after half term will be sent home.
- There is NO eating in study 6 except at break and lunchtimes.

**Nuffield
Research
Placements**

Nuffield Research Placements offer students in Year 12 (aged 17-18) the opportunity to work alongside scientists, engineers, mathematicians and technologists for four to six weeks of their summer holiday.

Students work on a specific project and at the end produce a report and attend a Celebration Event. Most students also go on to achieve a Gold CREST Award for their work. <https://www.stem.org.uk/nuffield-research-placements/students>

We offer teenagers the chance to test drive their dream career, through our range of immersive career experiences. On our programmes, students gain up to two weeks of hands-on experience alongside top industry professionals, enabling them to make the right career decisions and maximise their potential. Select your desired career below to find out more and register your place.
