

### WELCOME TO THE ABBEY COLLEGE NEWSLETTER

It has been a great year at Abbey College despite the unprecedented challenges that 2020 brought. I want to start by personally thanking all our families, staff and students for their compassion, co-operation and support throughout.

There is so much to be proud of this half term. We have achieved a hat-trick of national awards and have been commended for our provision, practice and pupil progress. You can read more about this later in the newsletter but I am delighted with our continued stride towards excellence. Across the school, we have also seen our pupils achieve great things and demonstrate the Abbey College Spirit even in these truly remarkable times.

I hope you enjoy the newsletter and would like to take this opportunity to wish you all a very happy, festive break. We look forward to seeing you back in 2021.

### Ellie's Handmade Poppies

Remembrance Day was a little different this year at Abbey College but our talented Sixth Form student, Ellie Gilbert, helped mark the occasion by creating handmade poppies and donating all proceeds to the Royal British Legion!

Ellie first decided to make the Remembrance Day poppies for her family, but after our students and staff saw her efforts, they were inspired and set up a stand for Ellie to sell her extra poppies at school.

The poppies cost just £2 each and helped raise over £50 for the Royal British Legion!

Ellie one day aims to make badges to sell on online marketplace, Etsy.

Well done Ellie, we have been blown away by your creativity and passion!

## Our Hattrick of Awards

You may remember that last half term we were awarded the highest possible accreditation in the Carnegie Centre of Excellence for Mental Health in Schools Award, the Gold Award!

Since then we have also been awarded two more national awards, the prestigious Quality in Careers Standard and the Quality Mark Award for English and Mathematics.

The Quality in Careers Standard award is valid for three years and was given through the local awarding body Cambridgeshire County Council 'Investing in Quality'.

We were commended for the quality of our careers programme, as well as the information, advice and the guidance given to our young people.

The Quality Mark Award for English and Mathematics was given for continued developments and improvements in provision and practice in English and Mathematics, with evidence of their positive impact on pupil progress.

We are looking forward to continuing to build on the awards even further in the future.

A big thank you to all our staff who work so tirelessly and who have made achieving these awards possible!

## Our Autumn Challenge

---

Recently, we launched a new challenge for all our students.

The challenge was to submit a picture that really captured the autumn beauty – it could have been a red sky, pumpkin, leaves, conkers, bare trees, berries or anything in between!

We were blown away by the entries we received and wanted to share a few with you.

## Year 7 Created Career Plans

---

This half term, our Year 7 students started creating their career plan, using a program called Fast Tomato.

By taking a short psychometric questionnaire which gauges interests, attitudes and motivation, they are offered career and education suggestions, personalised to them.

We are so proud of our students for taking such an active role in their education, well done Year 7!

## Curriculum Focus: English

From this half term, we will be introducing a curriculum focused section in our newsletters and celebrating different part of our curriculum each half term. This time, we focus on English!

First up, a **QUIZ!**

1. In which children's classic is it 'always winter but never Christmas'?
2. In the Harry Potter series, what gift does Mrs Weasley famously give to her family members every Christmas?
3. Who wrote 'A Christmas Carol'?
4. The protagonist of which novel sets out one Christmas on a long sea voyage?
5. Who is the author of the children's novel 'The Snowman'?

How many of the hidden words can you find?

Candy Cane | North Pole

Carols | Ornaments

Christmas | Presents

December | Reindeer

Elves | Santa

Gingerbread | Sleigh

Jingle | Stocking

Holy | Tree

Lights | Winter

Merry | Wreath

## A Million Dreams by Distant Voices

The Distant Voices choir released their latest single this half term!

The group collaborated with Abbey College Performing Arts to bring us 'A Million Dreams' in their biggest challenge yet. Lots of new students have been getting involved and the group saw a record number of videos submitted.

Well done to all our talented students who took part!

## Year 7 STEM Day

This half term, our Year 7 students had their STEM day!

The day celebrates Science, Technology, Engineering and Mathematics and we managed to take some great pictures of our students hard at work in the planning, designing and building phases of their projects.

A big congratulations to our joint winning form groups, 7W2 and 7D1. We hope you all learnt lots and had fun in the process too!

Thank you to everyone who took part and made the day such a success!
