### **Year 10 – Revision Guides**

Dear Parent/Guardian

An essential part of pupils doing well in their GCSEs is revision. Experience has shown us how incredibly useful revision guides can be in supporting students' progress in class and when studying independently at home.

In order to support your child's revision, we have recommended revision guides that can be purchased directly from school (many at a heavily discounted rate). Please see the list attached. Should you wish to order any revision guides, all payments must be in a sealed envelope with a completed order form and placed in the Finance Office student drop box (red) – this can be located by the Student Support Office, left of the main staircase. Please make all cheques payable to "Abbey College Ramsey". Orders will be placed on the 1st of each month. Students will be notified when the books are ready for collection from the Finance Office.

Some of the revision guides you will need to order directly, for example through Amazon; they are listed to help you purchase the correct ones for the relevant subjects. If you have any specific questions regarding revision for a specific subject, then please do not hesitate to get in contact with your child's subject teachers. If you are in doubt as to which revision guide to purchase, please ask your child to seek clarification before paying for the guides – ensuring they have the correct course and tier for their exams.

In our assemblies and form sessions, we have been focusing on revision strategies and preparing for success. I have been so impressed with the level of effort and commitment from the year 10 students this week, towards their GCSE Citizenship trial, ahead of their exam in the summer. As students continue their preparations, I thank you in anticipation of your continued support.

Kind regards

*A Quereshi*
