

14th February 2024

Dear Parent/ Carer,

As an English department, we are committed to ensuring the students, and you as parents, have all the information you need to best prepare for the upcoming English exams. We would like to offer more support if necessary, but think it is best to gauge what sort of help you might need.

I am writing to ask you to please complete the survey found [here](#) by 26th February 2024 and after compiling the results I will be in touch with more information.

Yours faithfully

R Edwards

Mrs Edwards

English Department
