**RE: Visit to Cavendish Laboratory, Cambridge on Thursday 8th February 2024**

Dear Parent/Carer,

The Physics department is organising a visit to an evening lecture at the Cavendish Laboratory, Cambridge, on the topic "Blast engineering" on Thursday 8th February 2024. Please see the following link for information on this lecture and the lecture program for the whole year:

<https://outreach.phy.cam.ac.uk/programme/cpc>

We will depart from school at 4.30pm returning at 8.00pm, travel will be by minibus. The lectures are free, but there is a small fee of £8.00, to cover the transport costs.

There are a limited number of places, and they will be allocated on a first come, first served basis on receipt of payment. It must be emphasised that places on this visit are not automatic, but dependent on the behaviour of the individual student in school during this academic year. Students with a consistently poor record of behaviour will not be allowed to participate.

**Payment should be made as soon as possible, and no later than Monday 5th February.**

Payments can be made online at [www.parentpay.com](http://www.parentpay.com). Click on the 'login' button and enter your existing username and password or, alternatively in school using the finance office student drop box. All cash/cheques must be in a sealed envelope with your child's name and Cavendish written on the front. Cheques should be made payable to 'Abbey College Ramsey'.

If you wish to be readvised of your ParentPay details, please contact [office@abbeycollege.cambs.sch.uk](mailto:office@abbeycollege.cambs.sch.uk).

Insurance held by Abbey College, Ramsey through Chubb European Group Limited covers all legal liability to students on the visit. Details are available from the school finance office, should you require them.

If you have any questions about the visit, please do not hesitate to contact me by email to:

Yours faithfully
