Dear Parents / Carers

October 2023

Re Henry Morris Awards 2024

I am writing to let you know about an exciting opportunity for your son or daughter.

Every year, the Henry Morris Memorial Trust offers students the chance to apply for financial awards. These awards are for students (13-19) for 'travel with purpose' or for 'home-based projects'. Students from all Cambridgeshire secondary schools are entitled to apply.

In previous years, students have travelled, alone or in groups, to destinations in the UK and abroad like the Norfolk coast, Stratford, Edinburgh, Paris, Rome and Amsterdam. Home based projects have included building a virtual reality drone, restoring a wrecked 'cello and making a Regency style dress.

Sometimes the projects have a direct impact on students' learning at school, for example art students visiting a gallery in London. Other projects, like walking the Norfolk Coastal Path, develop independence and confidence and can be life-changing experiences. Examples of what students have done can be seen on our website: **www.henrymorris.org**.

Students apply by using the application form on the website. The **deadline** is the **31st January 2024**. The majority of applicants will be called to interview in Queens' College at Cambridge University on a Saturday in March. For students who live a long way from Cambridge, we can offer a travel bursary to help with the costs of getting to the interview (details will be available on our website). After the successful students have completed their projects, they are required to write a report, and we give financial prizes for the best ones.

I hope you will encourage your son or daughter to look at our website, and to consider applying for an award.

Yours faithfully

Peter Hains

Chairman.
