

Gliding Scholarship Opportunity

**Let your dreams
take flight.**

Information Evening

- Did you know that you can legally fly a glider solo at the age of 14? (Subject to completing the required training).
- Nene Valley Gliding Club is looking for between three and six Year 9 and/or Year 10 students who would be interested in learning how to fly a glider.
- The information evening is on the **24th January at 6:30pm in the South Hall**. The meeting should last about 90 mins in total.
- Each scholarship is worth about £700, & Nene Valley Gliding Club in Ramsey is the only gliding club in the UK that offers these scholarships in this format to young people.
- There are currently three students in Year 11 who are taking part in this once in a lifetime opportunity.
- It can then lead onto further flying qualifications.
- Abbey College will submit a list of interested students and Nene Valley Gliding Club will make the final selection.
- Meanwhile, please let Ms Stevenson (S15) know if you think this is something that interests you or contact her via TEAMS.
