

Key Stage 3 - Year 7 and 8 Homework

Year 7 and 8 will start receiving homework on the week commencing **Monday 19th April 2021**.

Homework will be set on a rotation so students do not feel overwhelmed. Additionally, it was agreed that there will be no sanctions for this half term. This will ensure students develop independence so they can successfully complete their tasks at home. After May half term, students will start to receive sanctions for non-completion of homework and this will be monitored by Tutors and RSLs.

For Year 7 and 8, all core subjects (English, Maths, Science and MFL) will be set homework once a fortnight and this will always be due in the following week. All non-core subjects will be set one piece of homework per half term (this could be project based and last the half term). Each homework task should take approximately 1 hour to complete.

Students will write down the homework in their planners and all teachers have been informed to clearly signpost and upload the homework onto their class in TEAMS.

Please see the outline below:

12.04.2021				STEM History Geography Art & Design BITE Performing Arts Faith & Ethics
19.04.2021	B	English	MFL	
26.04.2021	A	Mathematics	Science	
03.05.2021	B	English	MFL	
10.05.2021	A	Mathematics	Science	
17.05.2021	B	English	MFL	
24.05.2021	A	Mathematics	Science	
MAY HALF TERM (1 week)				
07.06.2021	B	English	MFL	History Geography Faith & Ethics BITE Performing Arts Technology
14.06.2021	A	Mathematics	Science
