DELEGATION - GENERAL

Under the Articles of Association of Abbey College, Ramsey, the governors may delegate to any governor, committee, the Headteacher or any other holder of an executive office such of their powers or functions as they consider desirable to be exercised by them. Any such delegation may be made subject to any conditions the governors may impose and may be revoked or altered.

Where any power or function of the governors has been exercised by any committee, that person or committee shall report to the governors in respect of any action taken or decision made with respect to the exercise of that power or function at the meeting of the governors immediately following the taking of the action or the making of the decision.

The governors may establish any committee to exercise powers and functions of the governors. The constitution, membership and proceedings of any committee of the governors shall be determined by the governors. The establishment, terms of reference, constitution and membership of any committee of the governors shall be reviewed at least once in every twelve months. No vote on any matter shall be taken at a meeting of a committee of the governors unless the committee is quorate.

The governing body is responsible for ensuring that high standards of corporate governance are maintained. It should exercise its powers and functions with a view to fulfilling a largely strategic leadership role in the running of the academy, addressing such matters as:

- policy development and strategic planning, including target-setting to keep up momentum on school improvement;
- ensuring sound management and administration of the academy, and ensuring that managers are equipped with relevant skills and guidance;
- ensuring compliance with legal requirements;
- establishing and maintaining a transparent system of prudent and effective internal controls.

- setting the academy's standards of conduct and values;
- assessing and managing risk (including preparation of a statement on the academy's risk management for its annual report and accounts).

SCHEME of DELEGATION

The governing body should agree a formal schedule of matters reserved for their decision, i.e. those which should not be delegated within the academy. These are listed below. Beyond this, the governing body should consider establishing separate committees to deal with specific areas of academy business, and should determine the delegated responsibilities to be assigned to those committees, to ensure that matters can be dealt with in appropriate detail and with sufficient frequency. However, as a minimum, it is a requirement that all academies establish a finance committee separate from the governing body to deal with financial matters.

Where the governing body decides to delegate certain matters for consideration by committees, each committee should be chaired by a governor. . No vote on any matter shall be taken at a meeting of a committee of the governors unless the committee is quorate The governing body should ensure that it receives adequate feedback on the work of those committees and is able to consider their decisions formally. The establishment of committees does not absolve the governing body of its overall responsibility to manage the finances of the academy.

HEADTEACHER

The governors shall appoint the Headteacher who will act as an ex-officio governor. By signing this document the governors delegate such powers and functions as they consider are required by the Headteacher for the internal organisation, management and control of the Academy (including the implementation of all policies approved of by the governors) and for the direction of the teaching and curriculum at the Academy.
